To: NH Medicaid Enrolled Schools
From: NH Division of Medicaid Services
Date: October 12, 2023
Subject: Documentation of Expenditures Report

The yearly Documentation of Expenditures Report was distributed to schools last week. It can be found [here](#). Please note, consistent with the SFY 2022 report, due to additional federal FMAP linked to the Medicaid continuous enrollment requirement tied to the Public Health Emergency, as well as a one-time ARPA payment distributed in June and July of 2022, the total Medicaid reimbursement reported may exceed 50% of the total cost of the services rendered.
