

New Hampshire Medicaid Pharmacy Program

TO: New Hampshire Medicaid Providers
FROM: New Hampshire Department of Health and Human Services/Prime Therapeutics
DATE: January 8, 2026
SUBJECT: NH Medicaid and Medicare Drug Program

Medicare Part D Coverage: Most drugs for Medicare beneficiaries enrolled in a Part D plan will be covered by Medicare.

NH Medicaid Coverage: For members who also have NH Medicaid, the program will continue to cover certain drug categories excluded from Part D:

- Agents used for anorexia or weight gain
- Prescription vitamins and minerals
- Select OTC drugs (list available at nh.primetherapeutics.com)

Cost Sharing: NH Medicaid does not cover Part D copayments or deductibles.

Additional Assistance: Refer members to the Aging and Disability Resource Center (ADRC) at (866) 634-9412 for Part D questions.
